Hi Don:

I just wanted to take this opportunity to praise your company and its employees for a job well done.

From the inception of my first phone call to the last minute adjustments that had to be made I was very happy with your company and would be delighted to recommend you to anyone who may need a referral.

Maureen was amazing and a pleasure to work with .
She was always available to answer my numerous questions and organized her team so that our move went smoothly

We appreciate your efforts and extending the discount so that we were able to utilize Entel for our move.

Thanks again.
